God Slowly Woos Malaysian Nursing Asst

We meet nursing staff from around the world. Recently a CNA was bringing residents to our church services and each time she would stay a little longer to listen. After church, in conversation I found she moved from Malaysia 7 years ago. When asked if she was a Christian she said "No, I am Buddhist".

**God leads souls
to us, and
sometimes us to
them, but
always and
ultimately to
Himself...**

Her grown children are Atheists and her mother does not attend the Buddhist Temple anymore. Very open, loved our music, and could tell there is life in our message.

God is loving and wooing her to Himself. Once again there are no accidents, nor coincidence in the kingdom of God. The Holy Spirit sets it up.

God Wants You, Ruby!

Ruby Sharon, a delightful 101 year old lady with beautiful blue eyes. Chuck Stout and Marilyn had the privilege to pray with her a few months ago. Daughter Lois brings Ruby to church every service. The other day Ruby looked in the mirror and asked "when did my hair turn gray?"

Then she commented "Nobody wants you when you're old and gray", a line from the song "There'll Be Some Changes Made". The FT team with a resounding shout to all with gray hair: "God Wants you! God Loves you! We love you..."

"Salt is good: but if the salt have lost his saltness, wherewith will ye season it? Have salt in yourselves, and have peace one with another." - Mark 9:50

That Freckles sure gets around! (see story on Page 1)

Linda Welch, Bambi Barr and Adrienne Covert minister in a TV room outside a gentleman's room and he slams his door and does not want anything to do with them, their music or good news for over a year now. Two weeks ago this man came out of his room and joined the service. People come from all over the building including staff to hear the music. Linda says they always ask "who are these people?" **Christians are different** these girls are truly light and salt, letting their light shine.
