### Healing Tree Ministries.org Blesses The Forgotten at Christmas

Once again Healing Tree Ministries.org donated 50 trees to Forgotten Treasures this Christmas to give to nursing home residents. My, what a response when they see a gift just for them.

Makes them feel special and loved. Many teared up to have their very own beautifully lighted tree. Thank you to Jim Underwood and the many volunteers helping decorate healing trees to bless elderly, seniors alone, older neighbors, single Moms, etc.

The day I visited the workshop it was

Co-founder Jim's wife Peggy went home to be with the Lord last spring. We were all saddened by the loss of beautiful Peggy, a singer extraordinaire, ministering to others the many years I knew her.

She did deaf signing for FT in nursing homes as well as singing with her sister Julie to the delight of residents. Our love, prayers, and thank you Jim.
