

## Forgotten Treasures News Summer 2012

### Farm Fresh Garden @ Alpine Manor

Ron with Adrienne @ the garden

Ron & Linda @ the garden

Linda has harvested souls for Jesus at Alpine for nearly 3 years!

Alpine Manor residents were able to plant and tend a garden out side the L shaped building. Resident Ron is the main gardener and posed for a picture in front of his harvest... which by the way is taken into the kitchen and cooked, then served for dinner. What a novel idea!!!

A lady came over to Chuck after a program and was introducing a young man to him who loved Chuck's piano playing. Then made the comment, "We so enjoy this and it helps us forget our pain for one hour." *How humbling is that?*

"Jesus came to bind up the Broken heart." A heart never broken is pristine, and sterile, and will never know the joy of being imperfect, or serving a perfect Lord. How Sad!

### GOD LINKS RUSSIANS THROUGH FT!

Russian American Irina Yarova

FT received a request for a Russian speaking volunteer to speak to a man who suffered a stroke 4 months ago. He and the staff are totally frustrated as he speaks no English. Met with new volunteer Irina Yarova from Faith Bible Chapel today who speaks fluent Russian and wants to visit elderly! God set the whole thing up to bless our Russian gentleman, to help the staff care for him, and to bless sweet Irina. Praise The Lord!

### 92 YR OLD VETERAN!

Elderly W.W. II veteran Gene spoke of his D-Day experience to all attending the Memorial Service honoring our soldiers who died in all wars keeping Americans safe.

It was an honor to be there and my sister Betty and I were asked to sing our national anthem with Ronnie Burns director of the event at Springboro, PA cemetery this past May. May "Old Glory" continue to wave o'er the Land of the Free and the Home of the Brave!

Gene speaks @ Memorial Service
